Let's Get The Lead Out Petition Rules

Who Can Sign The Petition?

Petitioners **must be residents of Ontario**, including seasonal residents at the time of signing (example: a resident living in another Canadian Province or Country but residing at a seasonally owned Ontario cottage at the time of signing).

Please be advised that the capacity to sign is not limited to Canadians. **American cottagers** who own property in Ontario are most welcome to do so as well, as long as you use your Canadian address and postal codes.

There are no age restrictions for petitioners provided they are fully informed and understand what they are signing.

All signatures must be original and must be written directly on the petition. **Online petitions are not allowed.**
